Cub Scouts And Boy Scouts
Scouting Bannack Record Sheet

Scout’s Name: ___________________________________

Den/Pack/Troop Level & Number: _______________________________

Date:  _____________________________________________

To complete the Scouting Bannack Patch, I did these activities:

Service:  (Must do at least one)

_____ Swept the boardwalks
_____ Picked up small branches, etc.
_____ Washed windows
_____ Picked up trash in the campground, group use area, parking lot and/or town site
_____ Picked large rocks from dirt pile at the gold panning area
_____ Cleaned out fire pits in the campground
_____ Picked and disposed of noxious weeds
_____ Bundled firewood for the campgrounds
_____ Helped with a large project designated by Park Maintenance

Career:  (Must do)

_____ Learned about positions at Bannack State Park from a staff member or volunteer

I spoke to ___________________________ whose position is _________________

________________________________________________________.

Technology:  (Must do at least one)

_____ Before I came to Bannack, I visited the Bannack website
_____ Watched the “Window In Time” or other DVD about Bannack
_____ Learned about the fire system at Bannack
_____ Learned about the security system at Bannack
_____ Learned about the Mini Superfund cleanup site at the mill
_____ Learned about the technology used in gold mining in the 1800’s

I also chose to do these additional activities (Must do at least three):

Fine Arts:

_____ Colored pictures of Bannack
_____ Make a sketch or painting of the buildings, plants, and/or animals
_____ Made a free standing sculpture made from objects found in nature (do not use or remove any artifacts Ex: nails, leather, cans, etc.)

Photography:

_____ Took pictures of the buildings, plants, and/or animals
Writing:

_____ Wrote poetry about Bannack
_____ Wrote a riddle about Bannack
_____ Wrote a story about what a child’s day would have been like here
_____ Wrote a skit or play about Bannack and preformed it here
_____ Wrote an epitaph

Geology:

_____ Found out why this was a good place to find gold

Wildlife:

_____ Learned about wildlife found in the area
_____ Found tracks and made track castings
_____ Looked for and found evidence of animal nests and homes
_____ Used the Birds of Bannack backpack to observe and identify birds

Native Plants:

_____ Identified at least three trees and/or bushes
_____ Identified at least three flowering plants
_____ Identified at least three noxious weeds

Hiking:

_____ Hiked through the town site
_____ Hiked though the town site and on the back road
_____ Hiked Hangman’s Gulch and the old stage road. I went approximately ____ miles.

Cycling:

_____ Cycled on Road Agent Rock Trail. I went approximately ____ miles.

Horseback Riding:

_____ Rode a horse on Road Agent Rock Trail. I went approximately ____ miles.

Astronomy:

_____ Studied the night sky with a telescope

Ice Skating:

_____ Skated at the pond and learned why this was a popular past time at Bannack
